

Sleep is an essential part of life-but more important, sleep is a gift.

WE MUST MAKE OUR LIVES AS WE SEW, STITCH BY STITCH

MARCLINE DESBORDES-VALMORE

Casa Divina is an internationally recognized leader in the design and production of exquisite textiles for the luxury hospitality industry. From sumptuous bedding to refined bath linens and elegant table coverings, our finely crafted fabrics adorn the guest suites and dining venues of the world's most distinguished hotels and resorts.

With a deep understanding of the transformative power of colour, texture, and pattern, Casa Divina offers an extensive collection of sophisticated designs to complement any interior aesthetic. Our curated standard selections are just the beginning, we also specialize in bespoke creations, tailoring every detail to harmonize with your property's unique ambiance and signature style.

For over 25 years, Casa Divina has been synonymous with craftsmanship, quality, and discretion. By partnering with our own dedicated mills, we are able to deliver unparalleled quality at highly competitive pricing, without compromise. Our expert service team ensures that every order is fulfilled with precision, efficiency, and the utmost care.

At the heart of everything we do is a singular commitment: to elevate the guest experience. Whether it's the indulgence of slipping into a perfectly made bed or the refinement of dining on a flawlessly dressed table, we believe luxury lies in the details. Casa Divina exists to make those moments unforgettable.

THE SHEETS *YOU* SLEEP IN

Experience refined elegance with our bed linen collection, meticulously crafted from 100% premium, fine-combed Egyptian cotton. Expertly mercerized to reveal a radiant sheen, our linens offer enduring softness, impeccable strength, and timeless sophistication.

We use only the most superior long-staple yarns, woven with precision on state-of-the-art looms to ensure each fabric retains its exquisite drape and luxurious feel through every wash. Whether your aesthetic calls for classic dobby textures, intricate jacquard patterns, or fully customized designs, our bespoke weaving capabilities deliver flawless results tailored to your exacting standards.

Embellished with graceful embroidery, available in single, double, or triple-line detailing, our linens are offered in a curated palette of rich, vibrant hues. Contemporary embroidery motifs are also available and can be seamlessly applied across multiple thread counts ranging from TC300 to an indulgent TC1000. Choose from a variety of refined weaves, including our sateen, percale, jacquard, and dobby, to complement the curated ambiance of your most luxurious spaces.

“A well
spent day,
brings happy
sleep.”

TOP OF BED

Luxurious Bed Spreads, quilts, blankets and throws woven with precision and finished with an attention to detail by our masters. Carefully selected yarns in cotton and wool that are woven specifically for hospitality care. Available in an array of designs and colours and customized to fit your signature décor. Let us design it for you.

THE DOWN COLLECTION

Experience the art of exceptional rest with our Luxury Down Collection. The very foundation of a truly indulgent sleep experience. Each fill is meticulously hand-selected and undergoes an intensive purification process to ensure superior cleanliness and the utmost in dust removal. Our down is 100% hypoallergenic and available in a curated range of fills and weights, tailored to your comfort.

Exquisitely sourced from the most premium down and feathers available globally, our collection embodies a rarefied standard of craftsmanship. Each element is curated with meticulous precision, ensuring unparalleled loft, enduring resilience, and an indulgent softness that envelops the body in quiet opulence. This redefined, a timeless expression of understated luxury designed for those who expect nothing less than the exceptional.

Complementing this, our collection features exquisitely crafted 100% Mulberry Silk Filled Duvet Inserts, revered for their naturally hypoallergenic properties and remarkable breathability. Silk filament is a marvel of nature: warm in the winter, cool in the summer. Its unique structure, with 33% to 38% internal air space, allows it to adapt to your body's needs by either retaining warmth or dissipating excess heat and moisture.

This intelligent, climate-responsive quality ensures a consistently serene sleeping environment, regardless of the season. The result is a duvet that breathes, offering the signature “warm in winter, cool in summer” experience that defines true luxury.

SIMPLICITY IS THE ULTIMATE SOPHISTICATION

Our Terry towels and Bath robes are made of 100% Turkish cotton in dobby and jacquard woven designs. Our terry is soft, durable, luxurious and specifically designed for the hotel industry. We can supply you with an extensive variety of design and GSM weights or you can tailor design your own. Our terry fabric is manufactured with exquisite craftsmanship and weaving techniques and can be found in five star resorts world wide. It's both durable and absorbent and the terry fabric keeps its smooth texture even after repeated washes. Our coloured towels and robes are vat dyed using Indian threne dyes for colour brilliance and colorfastness. They are perfect for all of your guest's needs whether in your guest rooms, spa or the pool and beach areas.

WHATS ON THE TABLE
